From the Chief Engineer of Mysore no 5986 & 21.4.1925 Govt Engineer

Forwards for sanction a plan & estimate for Rs 12,720 for making additions & alterations to the existing Male Dispensary building at Melukote, to make it suitable for a combined dispensary for men & women & the construction of a Maternity Ward attached to it, and requests that the whole amount of the estimate may be made available for starting the work. The proposal has been sanctioned in G.O. no L. 552-5/Med 137-23-6 & 28th July 1924

Enbd. In accordance with the instructions issued under G.O. no G. 9808-19/Med 35-18-2 & 29.11.1918, the cost of the estimate for the building has to be met out of the District Municipal and Malkad Improvement funds in equal proportions (each paying Rs 6240) Both the District Board and the Municipal Council are agreeable to pay their share of the cost. The District Board have provided only Rs 2000 in their current year's budget, and the Municipal Council have agreed to met 3,000 during the last year and the balance during the current year. In regard to Malkad Improvement fund it is noted that the whole amount has been distributed in G.O. no L 1961-66/Fac

Sir,

With reference to G.O.No.L.554-7/Med.137-23-6 dated the 23rd July 1924 approving the proposal of the President of the District Board to adopt the Male Dispensary building at Thirthahalli into a combined Dispensary for men and women by effecting necessary additions and alterations to the existing building and the construction of a Maternity Ward, I have the honour to forward herewith for favour of sanction, an estimate and plans, the former amounting to Rs 12,72 as scrutinised by this office.

2. The proposals for effecting additions and alterations to the existing building are shown in red in the tracing plans.

3. As per existing rules in force the plans and the estimate ought to have been countersigned by the Presidents of the Municipality and the District Board; whereas the President of the District Board only has countersigned the plans and the estimate. As regard the countersignature of the project by the President of the Municipality, the Executive Engineer will be asked to obtain his approval thereto before the work is actually put in hand.

The proposals are not countersigned by the Senior Surgeon also. But this officer while transmitting the estimate and the plan has desired that sanction of Government thereto may be obtaine early.

It is seen from the correspondence that the District Board, Shimoga

(10

District,& the Municipal Council, Thirthahalli, are agreeable to pay their share of the cost but while the District Board have provided only Rs. 2,00(in their current year's budget, the Municipal Council of Thirthahalli haa agreed to meet Rs. 3,000 during the last year and the rest during the current year. The whole of the Malnad Improvement grant for the current yea: having been distributed, no amount ca: be spared for meeting the Government share of the estimated cost of the building and it can only be provided for in the next year's Malnad Improvement Budget.

2. In these circumstances, Gover: ment are pleased to accord administrative sanction to the plan and estimat for Rs. 12,720. The Chief Engineer is requested to start the work with the amount to be placed at his disposal by the District Board and the Muni-cipal Council which may be sufficient to meet the expenditure for the work during the current year. The balance if any, of the quota to be paid by the local bodies will be provided for in their next year's budgets. The question of provision for the Government share of the cost will be considered in connection with the Malnad Improvement grant for the next year.
